Sir:

RESPONSE TO INTERVIEW SUMMARY FORM

An Interview Summary Form was mailed by the PTO in the above case on February 14, 2007.

Numerous telephone conversations occurred between Robert L. Showalter and Examiner Chan regarding the above application, with the final conversation occurring on February 15, 2007. This conversation was noted in the Amendment filed on February 16, 2007. As noted in the February 16, 2007 Amendment, during the February 15th conversation, Examiner Chan stated that he felt the amendments to claim 1, which amendments were made to claim 1 in the February 16th Amendment, were sufficient to define over the prior art. However, the Examiner noted that he would need to have his SPE review the amendments prior to allowing the application.

In view of the Amendment filed on February 16, 2007, applicant believes all rejections should be withdrawn and this case allowed. Early notification of allowable subject matter is respectfully requested.

Respectfully submitted,
STEVENS & SHOWALTER, L.L.P.
